Chapter 10: Mocherians, Spaceships and a Pyramid - Worksheet Part A

Activity 1: While everyone is chanting the verses from Mrs. Appledorn to get rid of the 'Shed Pests', some people are wearing T-shirts with silly or clever words on them.

Listen to the author reading this chapter, and write down the messages on the T-shirts here. Perhaps you can think of your own message too?

Activity 2: At the end of the chapter, Illoblet starts telling his parents that he's "not from this planet". What else do you think he might go on to say to them? What questions will they have?

Now imagine you're also a Gapitonian-Earthian like Illoblet, Sassinkin or Mudeskellar. Write a letter to your parents, carers or friends, telling them all about your secret – who you really are, where you come from, how you got here, why you're here, and so on.

Plan what you'll say, then handwrite or type it in neat on a separate piece of paper.

Activity 3: You're going to **create your own T-shirt design**, just like the Shed Pest T-shirts. You can create your own Shed Pest design, or any other design you want.

Use the outlines below of the front and back of a T-shirt. Trace/enlarge them onto a bigger sheet of paper and create your design.

You might even be able to sell your T-shirts online (you must get your parents' or carers' permission first, and the design must be your own) at websites like <https://www.spreadshirt.co.uk/> or <https://teemill.com/>
